APPLICATION FOR MEMBERSHIP

Everyone has a certain responsibility to encourage safety throughout society. That responsibility is greatly enhanced when it becomes a profession. By joining this group, you align yourself with others who have chosen Safety as their profession. We not only accept the responsibility, we willingly share our training and experience with others. Whatever your contribution, it strengthens the group and our purpose for existing.

The HCSP was organized to educate and promote Safety among its members, make them aware of new developments relating to Safety and to help them develop in their profession.

Any interested party who is directly or indirectly involved in Safety may apply for membership in the HCSP. Motor Fleet Safety Directors, Safety Supervisors, Fleet Support Services Representatives and related allied industry personnel, including enforcement agencies, are encouraged to join and actively participate in HCSP's ongoing efforts to instill SAFETY in the work place.

Annual membership is \$75.00 per company per calendar year. Membership entitles any employee of the Member Company to attend and participate in HCSP activities. Meetings are held the 2nd Friday of each month (unless otherwise announced) at Brady's Landing, 8505 Cypress, Houston, TX 77012.

Please make your check payable to HCSP.
